

HGR156 Wood Fibre Granules

Safety Data Sheet

Composition/Information on Ingredients

Chemical Nature: Soft wood sawdust – Sodium Bicarbonate
Chemical Formula: N/A

Hazard Identification

Toxicity: Non Toxic
Inhalation: There is no release of any obnoxious fumes at ambient temperature
Ingestion: Not recommended
Eye contact: No significant health hazards identified

First Aid Measure

Skin: Irritation may be possible so gloves should be worn. Wash skin with soap and water should contact occur.
Eyes: Any material entering the eye should be flushed out with copious quantities of water. Medical attention should be obtained if irritation persists.
Inhalation: If adverse effects occur, move to an uncontaminated area and obtain medical attention.

Fire Fighting Measures

Extinguishing Media: Water, dry powder or foam

Accidental Release Measures

Pick back up and put back in to packaging

Handling and Storage

Special Precautions: N/A
Packaging Material: Saffire is packed in polythene bags
Storage: Store in a dry place

Exposure Controls and Personal Protection

Eye: Use of eye protection is good industrial practice
Skin: Gloves are recommended
Inhalation: N/A
Exposure Guidelines: N/A

Chemical and Physical Properties

Form: Bag
Colour: Green
Odour: None
Flash Ignition: N/A
Melting Point: N/A
Auto Ignition Temp: 620°C
pH: Not determined
Specific Gravity: N/A

Stability and Reactivity

Stability: Stable
Conditions to Avoid: None identified
Material to Avoid: Strong oxidising agents and aggressive chemicals
Hazardous Composition: Like other organic materials such as wood and paper burning, It can produce carbon dioxide, carbon monoxide, water and soot.

Toxicological Information

Acute Toxicology Data: N/A
Ecological Information: Saffire is a biodegradable product

Suitability

- i) Saffire can be used on non-aggressive water based spills and hydrocarbon spills
- ii) Saffire can be used on organic spills, including food spills, and should be disposed of in the appropriate way.

Disposal Information

May be disposed of in approved landfill sites or by incineration under approved conditions in compliance with the requirements of the control of pollution act.

Transport Information

Not regulated

Regulatory Information

EC Classification:	None
EC Symbol:	None Required
Risk Phrases:	None Required
Safety Phrases:	None Required

This material safety data sheet and the information it contains is offered to you in good faith as accurate. We believe the information to be correct but cannot guarantee its accuracy or completeness. Health and Safety precautions in this data sheet may be adequate for all individuals and/or situations. It is the users obligation to evaluate and use this product safely and to comply with all applicable laws and regulations.
